Dear Community Supporter,

The La Cueva High School Choir Boosters is a 501(c)(3) nonprofit organization dedicated to supporting the students in our four choirs: **Concert Choir, Treble Choir, Underground Advanced Mixed Show Choir, and Sapphire Sound Intermediate Treble Show Choir (the only HS show choirs in NM)**. As funding for the performing arts continues to decline, community support helps reduce student costs and provides opportunities for performances, competitions, and music education. Donations are tax-deductible (Tax ID: **85-0424250**).

Throughout the year, our choir program hosts a variety of fundraising events, including a silent auction, to support our students and sustain our award-winning program. We are seeking donations of gift cards, merchandise, services, experiences, or other items that can be featured in these fundraising efforts. Your generous contribution will directly support meaningful educational and performance opportunities for our students while showcasing your business to hundreds of community members who attend our events throughout the year.

If you would like to support our choir program through a monetary or in-kind donation please complete the information below, or if you have any questions, please contact us at **choirs.lacueva@gmail.com** or visit **lacuevachoirs.com**. To ensure your contribution can be included in our upcoming fundraising efforts, we would greatly appreciate receiving donations by **December 1, 2026**.

Thank you for investing in our students and helping provide meaningful musical and educational opportunities. Your generosity makes a lasting difference, and we sincerely appreciate your support.

With gratitude,

La Cueva High School Choir Boosters
